

EN Features

1. 6 foot (total length) 16/2 power cord
2. Step-on foot switch
3. Power indicator light
4. 3 polarized outlets
5. Safety slide covers

ES Características

1. Cable de alimentación de 1,8 m (longitud total)
2. Interruptor de pedal
3. Luz indicadora de encendido
4. 3 tomas polarizadas
5. Protectores deslizables para más seguridad

Electrical Rating: 125V/13A/1625W
Tested to Underwriters Laboratories UL817

CAUTION: This cord set is specifically designed for 2-wire appliances. To minimize the likelihood of electrical shock, do not use any appliance or tool with a 3-wire grounding-type plug, or the equivalent.

This is a **POLARIZED** cord set. It has a polarized plug (one blade is wider than the other) and a polarized outlet (one slot is longer than the other). The polarized plug is not intended to be mated with nonpolarized outlets (having both slots the same size). A polarized outlet is intended to mate with a polarized plug in only one way (the longer slot with the wider blades).

ATTENTION: INSTRUCTIONS FOR PROPER USE: COVER UNUSED OUTLETS, FULLY EXTEND BEFORE USING, RATED 125-VOLTS, USE WITHIN THE ELECTRICAL RATING MARKED ON THE CORD SET, DO NOT PLUG MORE THAN A TOTAL OF 1625 WATTS IN THIS CORD SET.

PRECAUCIÓN: Este set de cables ha sido especialmente diseñado para utilizar en artefactos de 2 líneas. Para reducir el riesgo de descargas eléctricas, no utilice ningún artefacto ni herramienta que tenga un conector a tierra de 3 líneas ni productos equivalentes.

Este set de cables es **POLARIZADO**. Cuenta con un conector polarizado (una hoja es más ancha que la otra) y una toma polarizada (una ranura es más larga que la otra). El conector polarizado no debe conectarse en tomas no polarizadas (con dos ranuras del mismo tamaño). Las tomas polarizadas deben conectarse con un conector polarizado de una sola manera (las hojas más anchas en las ranuras más largas).

ATENCIÓN: INSTRUCCIONES DE USO ADECUADO: CUBRA LAS TOMAS QUE NO UTILICE, EXTIENDA TOTALMENTE ANTES DE USAR, CAPACIDAD CLASIFICADA EN 125 VOLTIOS, NO EXCEDA LA CAPACIDAD ELÉCTRICA, INDICADA EN EL SET DE CABLES. LA CARGA TOTAL DE LOS DISPOSITIVOS CONECTADOS NO DEBE SUPERAR LOS 1625 W.

Limited One-Year Warranty

Philips warrants that this product shall be free from defects in material, workmanship and assembly, under normal use, in accordance with the specifications and warnings, for one year from the date of your purchase of this product. This warranty extends only to the original purchaser of the product, and is not transferable. To exercise your rights under this warranty, you must provide proof of purchase in the form of an original sales receipt that shows the product name and the date of purchase. For customer support or to obtain warranty service, please call 800-233-8413. THERE ARE NO OTHER EXPRESS OR IMPLIED WARRANTIES. Philips' liability is limited to repair or, at its sole option, replacement of the product. Incidental, special and consequential damages are disclaimed where permitted by law. This warranty gives you specific legal rights. You may also have other rights that vary from state to state.
